NEW 50059 Form Update

IPM-Software has posted an updated 50059-HUD Certification form with the new expiration date of 03/31/2011 for both HUD Control and CornerStone. This change has been made in accordance with HUD requirements.

You will find the instructions to update your program at the following location:

[UPDATE](#)

If the above link fails copy the following into your browser's address bar and hit enter:
<http://www.ipm-software.net/update.html>

Please note that the instructions are slightly different for each program and be sure to download the directions appropriate for your program.

This change will be incorporated into any future software updates.
